

## How to buy tickets on Eventbrite WITHOUT setting up a PayPal account:

1. Go to <https://edward-thomas-fellowship.org.uk/edward-thomas-fellowship-study-days/>
2. Click on the event you'd like to purchase tickets to.
3. You'll be taken to an Eventbrite website. Click the orange "Get Tickets" button.
4. Choose your tickets. Then click the orange "Checkout" button.
5. **Enter your details. The payment method will say PayPal. That is OKAY! Click the orange "Place Order" button ANYWAY!**
6. You will be redirected to PayPal. **From there, you DO NOT need to have a PayPal account.** Enter your email and click the grey "Pay with Debit or Credit Card" button.
7. Enter your details, purchase your tickets & enjoy the event!

The image shows a screenshot of the PayPal login interface. At the top is the PayPal logo. Below it, the text reads "Pay with PayPal". A note states: "With a PayPal account, you're eligible for free return shipping, Purchase Protection, and more." The email address is partially visible as "(2\*\*) \*\*\*-9157" with a "Change" link. There is a "Password" input field, a "Forgot password?" link, and a checkbox for "Stay logged in for faster purchases" with a help icon. A blue "Log In" button is present. Below the "Log In" button, the word "or" is centered. At the bottom, a grey button labeled "Pay with Debit or Credit Card" is circled in red. A large red arrow points from the top right towards the "Log In" button.
